## RMA 2021 Fall Convention Highlights Now Available

*Look back at a great RMA convention!*

With the RMA 2021 Fall Convention complete, RMA has prepared [Convention Highlights](#) to summarize the interesting speakers, engaging debate, and excellent connections made over the week-long event.

For the RMA, the best part of convention is engaging with members and supporting connections and collaboration in the rural municipal world.

Thank you once again to all the RMA members, delegates, sponsors, tradeshow participants, ministers, and MLAs who made our fall convention a success.
