2 Billion Trees Program Available

Government of Canada program aims to plant two billion trees over next 10 years

The **2 Billion Trees** (2BT) program aims to motivate and support new tree planting projects. Over the next 10 years, up to \$3.2 billion will be invested in tree planting efforts to support provinces, territories, third-party organizations (for-profit and not-for-profit), Indigenous organizations, and municipalities to plant two billion trees across Canada.

For more information, the 2BT program is pleased to offer a [Q & A session](#) to support the application process for the recently launched call for proposals on January 19, 2022 at 11:00 am. This will be an opportunity to ask questions and receive more information.
