

January 18, 2022

Attend the County of Grande Prairie's Planning 101 Workshop

The session is being held in person on March 3

The [County of Grande Prairie](#) is partnering with [Brownlee LLP](#) to host a [Planning 101 workshop](#) for members of their council and interested staff. The County has also asked RMA to share the invite through Contact to allow any other RMA members' councillors or staff members to attend as well.

The workshop will provide an overview of a range of important planning-related topics, including the role of various municipal and provincial planning authorities, relevant planning requirements, including legislation, regulation, and municipal plans, as well as other topics.

[Registration is required](#) in advance.
