## Register for RMA 101 Webinars

*Register for the RMA 101 webinars on resolutions, engagement, priority issues, and business services to learn more about the association*

The RMA released [RMA 101](#) earlier this month to familiarize and orient new RMA members with the association. As our next step, RMA staff will host a series of webinars that will highlight specific aspects of the organization for all RMA members. Each webinar will cover a different topic and will provide an opportunity for new or existing members to ask any questions that may arise after working through RMA 101. The webinars are free to attend, however, it is important to note that **only RMA members** can register. The following webinars will be offered:
