Quick Questions Guide for Provincial Policing Engagement Sessions

The guide provides easy access to recommended RMA questions for members to ask during police transition engagement sessions

To continue supporting members as they attend Government of Alberta engagement sessions regarding the Alberta Provincial Police Service Transition Study, RMA has developed a [quick questions guide](#). The questions in this guide are pulled from the more detailed [member engagement guide](#), but are presented in the quick questions guide to allow for easy reference during the engagement sessions. Members are encouraged to bring this guide with them to the engagement session, as the questions are formatted to follow the discussion periods presented during the session.

For more information on RMA's work supporting members through the Provincial Police Transition Study, visit the [Police Transition Study](#) web hub.
