RMA 2022 Spring Convention Registration is Now Open

The [RMA 2022 Spring Convention](#) will take place March 14 - 16, 2022 at the Edmonton Convention Centre in person, with no virtual component. We look forward to welcoming our elected officials, members, and guests together for an action-packed agenda. [Online registration](#) for the 2022 Spring Convention is open until February 25, 2022.

Programming Update

[Convention programming](#) planning is well underway, with two must-see keynote speakers on deck: Alberta born and raised [Chris Koch](#), who inspires others with his story, and innovation strategist, [Shawn Kanungo](#). Delegates will have the opportunity to attend workshops focused on issues including recycling, communications, roles of council, and digital infrastructure. There will also be two ministerial forums at the convention, providing members opportunity to engage directly with cabinet on key issues. All evening events will take place at downtown facilities and complimentary shuttle buses will be provided during peak times from [RMA's preferred convention hotels](#) for easy access to the Edmonton Convention Centre.

COVID-19 Protocols

The Edmonton Convention Centre is participating in the Government of Alberta's [Restriction Exemption Program](#) and following all public health requirements in place.

- ♦ To enter the facility, proof of vaccination is required in the form of the QR code available at alberta.ca/covidrecords. **The QR code will be the only proof of vaccination accepted.** Albertans can download, screenshot, or print it. If you do not have access to cell phones or computers, you can get a printed QR code at any registry.
- ♦ **On-site testing will not be available.** Please ensure you bring a copy of your negative test with you.
- ♦ Once inside the facility, face masks will be required. A face mask is a medical or non-medical mask that covers a person's nose, mouth, and chin. The Government of Alberta does not consider face shields to be an acceptable alternative to a mask and may not be worn on their own. You may remove your masks only when actively eating or drinking in designated areas.
