Register Today to Learn About Land Use Planning and Development Approval

The course builds on foundations learned in Munis 101

Land use planning is one of the fundamental roles of municipalities, yet few municipal councillors are elected to office with much experience in this area. [The Elected Officials Education Program \(EOEP\)](#) Land Use Planning and Development Approvals Course is specifically developed to help councils get a better understanding of their role and key concepts.

[Register today](#) for a virtual offering of the course that will take place over four Zoom sessions running from 2:00 to 4:00 pm on:

- ◆ Thursday, May 12
- ◆ Thursday, May 19
- ◆ Thursday, May 26
- ◆ Thursday, June 2

Registrants should be available to participate in all four sessions.

While the course materials are targeted at elected officials, municipal administrators are welcome to register. Note that only elected officials are eligible to receive the [Municipal Elected Leader Certificate](#) for taking all seven EOEP courses.
