## Register Now for EOEP Intermunicipal Collaboration Course

*The course builds on foundations learned in Munis 101*

Collaboration is key for the long-term success of municipalities. The [Elected Officials Education Program \(EOEP\)](#) is pleased to offer its [Regional Partnerships and Collaboration Course](#) virtually in June. This offering comes on the heels of several sold-out sessions and will provide participants with the skills needed to succeed in fostering collaboration with their neighbours. This course has been recently updated to shift the focus from completing intermunicipal collaboration frameworks (ICFs) to skill building for collaboration more broadly.

[Register today](#) for the course, which runs:

- ◆ June 8, from 2:00 to 5:00 pm
- ◆ June 15, from 2:00 to 5:00 pm
- ◆ June 22, from 2:00 to 5:00 pm

Registrants should be available to participate in all three sessions.

While administrators are welcome to take the course, the content is developed for an elected official audience and only elected officials are eligible for a [Municipal Elected Leaders Certificate](#).
