*RMA Insurance is excited to announce a new, easy-to-use tool when renting out facilities*

Now that buildings are opening back up again and in-person events are increasing, RMA Insurance is excited to announce a new program for members looking for insurance while renting out facilities. These facilities can be your municipality's buildings or additionally insured buildings, and the program covers anyone who requires user groups to purchase insurance.

The RMA Insurance website will now have a resource to enable members to obtain and provide the special event liability coverage that is needed in a way that is simple and easy to use. You can [access the new tool](#) on our website.
