RCMP Releases Joint Business Plan

Joint Business Plan provides guidance for how the RCMP operates in Alberta

The RCMP released their 2022 - 2025 [Joint Business Plan](#). This three-year plan represents a collaborative effort between the Alberta RCMP and Justice and Solicitor General.

Input was gathered from stakeholders, including municipalities through meetings with the Alberta RCMP. These meetings, and recommendations from the Alberta Interim Police Advisory Board (which includes participation from RMA representatives), helped identify emerging trends and best practices as well as provided clarity on the needs of Alberta communities.

RMA and Alberta Municipalities were engaged by the RCMP to ensure performance measurement frameworks were aligned with the needs and expectations of municipalities.

The Joint Business Plan focuses on [six areas](#):

- ◆ Enhancing Engagement and Communication with Communities and Stakeholders
- ◆ Community Safety and Well-Being
- ◆ Indigenous Communities
- ◆ Equity, Diversity, and Inclusion
- ◆ Crime Reduction
- ◆ Enhancing Service Delivery
