Register for Infrastructure Asset Management Alberta's Upcoming Workshop

Register for the next IAMA workshop and learn about road condition ratings, setting service levels in First Nations, a case study on the Town of Blackfalds' asset management journey, and other topics

Infrastructure Asset Management Alberta (IAMA) is [hosting an in-person workshop](#) on June 15, 2022 in Calgary. The workshop will run from 9:00 am to 3:15 pm, with registration and complimentary breakfast beginning at 8:30 am.

The [workshop agenda](#) will feature presentations on several topics, including:

- ◆ LiDAR-based road condition rating – MD of Provost
- ◆ Climate and infrastructure opportunities – Municipal Climate Change Action Centre
- ◆ First Nation asset management service levels – Stantec
- ◆ Asset management case study – Town of Blackfalds

[Workshop registration](#) is \$100 for non-members, although the rate is discounted to \$75 with the purchase of an [IAMA annual membership](#).

Who Should Attend?

The workshop is open to anyone interested in building their asset management knowledge. In particular, IAMA encourages attendance by:

- ◆ Councillors
- ◆ CAOs
- ◆ Directors of Finance
- ◆ Directors of Operations
- ◆ Anyone involved in delivering services or managing infrastructure
- ◆ Anyone seeking an answer to the following:
 - ◇ What is asset management?
 - ◇ How much does our infrastructure really cost?
 - ◇ How do we get started in implementing asset management in our municipality?
