## In-Person EOEP Courses at Alberta Municipalities Conference

*These course builds on foundations learned in Munis 101*

If you are planning to attend the Alberta Municipalities Convention this September in Calgary, arrive a day early to take advantage of in-person offerings of the Elected Officials Education Program's (EOEP) Public Participation and Land Use Planning courses. The courses are being offered as pre-convention sessions on Tuesday, September 20. Registration is available to Alberta Municipalities and RMA member municipalities as an add-on to your convention registration. Registration for the course may be available without registering for the convention, but priority will be given to those registering for the convention as well. Visit [EOEP's website](#) to learn more about the courses and [register online](#).

Details about EOEP courses at RMA's convention will be announced soon.
