# Introduction

The [Rural Municipalities of Alberta](#) (RMA) is an independent association comprising Alberta's 69 counties and municipal districts. Since 1909, the RMA has helped rural municipalities achieve strong, effective, local government through the provision of advocacy and business services. The RMA is governed by a board of directors, comprised of elected officials from the RMA's full member municipalities.

The RMA's Board of Directors elections process is guided by the RMA Board Elections Policy, included in Appendix A. This package is designed to provide information for RMA full members interested in joining the RMA Board of Directors. This document outlines the available positions, the roles and responsibilities of RMA board members, eligibility requirements and information on the time commitment and compensation.

**Elections for available positions on the RMA Board of Directors will take place during the 2022 Fall Convention on Wednesday, November 9.**

## Positions Available

The following positions are up for election for a two-year term at the 2022 RMA Fall Convention:

- ◆ President
- ◆ District 1 Director
- ◆ District 4 Director

## Board Roles and Responsibilities

The overall role of the RMA Board of Directors is to represent and advocate the broad collective municipal and rural interests of the membership, and to oversee the delivery of services that assist members in their business operations and decision-making processes. The Board of Directors is actively engaged in the development of the [RMA's Strategic Plan](#), which includes setting the overall vision, mission and values of the organization.

Those elected to the RMA Board of Directors also serve on the following RMA subsidiary boards:

- ◆ [RMA Insurance](#)
- ◆ Genesis Reciprocal Insurance Exchange (GRIE)
- ◆ [Canoe Procurement Group of Canada](#)

The key duties of a board member are outlined in the RMA's GOV-02 Board Member Responsibilities Policy (Appendix C) and include the following:

- ◆ Respecting the confidential nature of information which is often obtained as a result of membership on the board. The success of the RMA in representing rural and municipal interests is very clearly tied to the trust that has been established between the association and the provincial government. Board members are expected to respect that trust relationship, regardless of any personal political leanings.
- ◆ Be responsive to emerging issues.

In addition, the following duties are specific to either the role of the president or vice president:

## Board Member Commitment

The duties of an RMA board member are significant and require commitment to the association. There is considerable time required for meetings and committee preparation, attendance, and travel. The overall role of RMA board members is to represent and advocate the broad collective municipal and rural interests of the membership, and to oversee the delivery of services that assist members in their business

operations and decision-making processes. Serving on the RMA Board of Directors is an opportunity to help shape the direction and future of your organization and serve Alberta's rural municipalities.

The RMA Board of Directors has 12 regular monthly meetings each year. In addition, the RMA's three business boards (RMA Insurance, Genesis and Canoe) meet five times per year in a combined meeting under one RMA Business Services board agenda. These meetings are separate from the regular RMA monthly meetings. In addition to the aforementioned board meetings, there is a commitment to participate in strategic planning sessions each year.

RMA represents its members on over 70 committees and external boards, which are divided amongst the Board of Directors; committees require varying levels of commitment ranging from monthly to annual meetings.

## Per Diem and Expenses

RMA Board members are entitled to compensation for their service on the Board and any RMA-appointed committees.   - f. Where necessary, request a leave of absence or tender resignation.
4. Where a board member has been selected as a candidate under section 2 above, the provisions of section 3 above continue to apply for the period leading up to the official election period. When the writ is issued, the board member shall request and be granted a leave of absence until the official final results are declared.
5. Notwithstanding anything contained in section 3 or section 4 above, where a board member or the board member's campaign intends to solicit campaign contributions from any employee, director, supplier or member of RMA, where directly or indirectly, the board member shall immediately notify the executive director.
6. The board member shall request and be granted a leave of absence for the duration of the campaign before accepting any such campaign contribution.
7. Notwithstanding anything contained in section 3 above, where a board member has been declared the leader of a political party under section 2 above, the board member must immediately resign from the board effective as of that date.
8. In any circumstance where the board determines a board member has failed to adequately comply with the provision of the non-pecuniary interest clause, the board may grant a leave of absence, suspend the board member; or may remove the board member in accordance with RMA Bylaws Part E, Section 14 which states, "*any Director (Board member), upon a majority vote of Full Members in good standing, may be removed from office for any cause which the Association may deem reasonable*".
9. A leave of absence or resignation under this part is deemed to include a leave of absence or resignation from every position the board member holds through appointment by the board including the boards of RMA subsidiaries and associated entities and any external board or committee on which the board member represents RMA.
10. The Executive Director will inform the board of any matter arising under this part.

**Non-Partisan Approach:**

1. The RMA takes a non-partisan approach to advocacy working collaboratively with all provincially and federally elected government officials.
2. To support effective advocacy, the RMA Board of Directors does not overtly engage in partisan politics. As governing parties can change over time, building effective relationships with provincially and federally elected officials from all parties is a priority to enable positive engagement across elections.
3. Engagement at the individual level with various provincial and federal political parties, including being members of political parties, is permitted by member of the RMA Board of Directors; however, engaging in this regard must be done as an individual and not as representative of the RMA Board of Directors.
4. Due to the non-partisan advocacy approach taken by the RMA, direct participation in a leadership role for any political party is discouraged. In the event that a leadership role in a political party is pursued, the RMA board member will be requested to step down in their board-elected role.
