Provide Feedback on Proposed Recovery Strategy for the Gypsy Cuckoo Bumble Bee

Government of Canada is seeking feedback on recovery strategy

The federal [Ministry of Environment and Climate Change](#) is seeking input on a draft recovery strategy for the [Gypsy Cuckoo Bumble Bee](#). The Gypsy Cuckoo Bumble Bee can be found in much of Alberta and requires other bee species to reproduce and build habitats.

The draft [recovery strategy](#) can be viewed online, and comments can be sent to ec.planificationduretablissement-recoveryplanning.ec@canada.ca by **November 20, 2022**. If your municipality does provide input, please forward a copy to RMA Policy Advisor Warren Noga at warren@rmalberta.com.
