2023 RMA Post-Secondary Scholarship

The 2023 application term is now open and closes August 31, 2023

In recognition of the importance of an educated population to the future well-being of rural communities, the RMA established the RMA Post-Secondary Scholarship Program in 1995. The program is designed to encourage rural Albertans to pursue further education, and thereby enhance the ability of these rural residents to make meaningful contributions to their communities in subsequent years. A scholarship in the amount of \$1,000 is presented to one successful applicant from each of the RMA's five districts annually.

Eligibility and Application Procedure

To be eligible, an applicant must:

- ◆ Be a resident of a [municipality that is a full member](#) in good standing with the RMA, which includes municipal districts, counties, specialized municipalities, and the Special Areas;
- ◆ Be registered in their first four years of study at a recognized post-secondary institution (i.e. the applicant must not have any previous degrees or diplomas); and
 - Preference will be given to candidates attending a recognized post-secondary institution in Alberta, except in instances where the chosen program of study is not available in Alberta.
- ◆ Be pursuing a course of studies of relevance to local government or rural communities.
