AUC to Host Electricity Generation Inquiry Information Webinar for RMA Members

The Alberta Utilities Commission will be hosting a one-hour webinar to provide RMA members with information on how to participate in the inquiry into electricity generation projects

On November 14, 2023 the AUC will be hosting an [information webinar for RMA members](#) via Zoom. This session will go over the engagement opportunities that will be available during the AUC inquiry on [electricity generation projects](#) and offer members an opportunity to connect with the AUC if they have any questions on how to engage.

This session will be similar to the in-person information sessions the AUC is hosting in Red Deer, Pincher Creek, and Medicine Hat in early November. As the Pincher Creek and Medicine Hat sessions conflict with the 2023 RMA Fall Convention, the AUC has agreed to host this webinar specifically for RMA members. The zoom session will run from **1:30 to 2:30 pm on November 14**. Those interested must [register](#) ahead of time.

For more information on the AUC engagement process, please visit the [AUC website](#).
