RMA Releases LGFF Allocation Formula Reaction Document

The reaction document outlines the RMA's areas of alignment and concern with the formula, as well as areas for future improvement

The RMA has released a [document outlining its reaction](#) to the LGFF [allocation formula](#). Beginning in the 2024 - 2025 fiscal year, the LGFF will replace the Municipal Sustainability Initiative (MSI) as the primary provincially-funded capital grant for municipalities.

The [reaction document](#) provides an overview of the selected formula, a summary of the RMA's proposed formula, areas of alignment and misalignment with the RMA's formula priorities, and future opportunities for improvement.
