## RMA Assigns Statuses to Eight Fall 2023 Resolutions

Immediately after resolutions are endorsed by RMA members, the RMA sends the resolutions to the relevant provincial or federal ministry or organization for an initial response. Based on the response received, the RMA assigns the resolution a status and drafts an initial reaction.

The RMA updates the [resolutions database](#) and issues bulletins with updates as responses are received. The RMA has recently received responses to eight member resolutions passed at the 2023 Fall Convention. Given these responses, the RMA has drafted an initial reaction to the resolutions.

The government responses, statuses, and the RMA reactions can be viewed for each resolution on the [RMA Resolutions Database](#):

- 1-23F Strategic Transportation Infrastructure Program Funding
- 5-23F Municipal Involvement in Quasi-Judicial Agencies
- 6-23F Expediting the Implementation of an Alberta Flood Regulation
- 7-23F Strategy for Management of Wildland Fires Outside Forest Protection Area
- 8-23F Implementation of Provincial Police Advisory Board
- 14-23F Provincial High-Load Corridor Protection
- 15-23F Province-Wide Regulations for E-Scooters and Miniature Personal Electric Vehicles
- 16-23F Federal-Provincial Partnership to Counter the United States Inflation Reduction Act

The RMA plans to release its 2024 Resolution Status Update - Volume 1 later in 2024, which will include statuses and reactions to all other fall 2023 resolutions for which a government response is received, as well as status and reaction updates to all other active resolutions.
