Drought Webinars for Municipalities Now Open for Registration

The RMA and ABmunis are hosting two collaborative webinars to prepare members for the 2024 drought season

The RMA and ABmunis are co-hosting two webinars for municipalities to learn and prepare for the expected 2024 provincial droughts.

- ◆ [Preparing Northern Municipalities for Drought](#) (municipalities north of Red Deer)
 - ◇ Thursday, March 7, from 1:00 to 2:00 pm
 - ◇ To register for Preparing **Northern** Municipalities for Drought, click [here](#).
- ◆ [Preparing Southern Municipalities for Drought](#) (municipalities south of Red Deer)
 - ◇ Friday, March 8, from 1:00 to 2:00 pm
 - ◇ To register for Preparing **Southern** Municipalities for Drought, click [here](#).

The webinars will feature speakers from Alberta Environment and Protected Areas, as well as one urban and one rural municipality from the region sharing their experience and knowledge in preparing for water shortages.

For more information on the current water shortage forecast, the preparation plan, and specific information for municipalities, please visit [Alberta.ca/drought](https://alberta.ca/drought). There is also a [sign up form](#) to receive specific watershed updates.
