RMA Seeking Member Proposals for Fall Convention Presentations

Does your municipality have a project, initiative, or experience they would like to share with RMA members at the upcoming fall 2024 convention? We want to hear about it!

In preparation for the Fall 2024 RMA Convention, the RMA is seeking proposals from members interested in making a presentation as part of a workshop or plenary. We know RMA members have innovative projects and excellent insight into municipal issues and we want to feature you this fall!

If you have an idea that would make a great addition to the Fall agenda, please provide the following information by email to RMA Executive Administrative Coordinator Natalie Bartlett at natalie@RMAAlberta.com:

- ◆ A brief outline of the topic, including:
 - ◇ An overview of the topic, project or issue.
 - ◇ The relevance to other municipalities.
 - ◇ Alignment with any resolutions, broader policy or advocacy issues.
 - ◇ Ideas for best method of presentation (plenary, workshop, panel, etc.)
- ◆ Contact information for topic lead.

To be considered, proposals must be submitted no later than **August 2, 2024**. RMA staff and board consider many factors and ideas when developing convention programming. Submitting a proposal does not guarantee inclusion in convention programming. RMA staff may also work with submitting municipalities to modify the proposal scope to align with other speakers or key issues.

We look forward to featuring members at the Fall 2024 Convention!
